CORAL BEACH CLUB

Dubrovnik

Legend of Babin Kuk

The wealth of Dubrovnik was legendary. The prosperity of its citizens based on their skill as merchants and sailors: For centuries they traded with luxury goods in a smart and successful manner. Their wealth enabled them to maintain Dubrovnik's independence of the surrounding dominions. Dubrovnik became synonymous with the motto of the city, »freedom«.

The Coral Beach Club's location is of particular significance for Dubrovnik's history: The legend says that the sailors' and merchants' women stood at this place in order to wave goodbye to them when they set out to sea, and to expect it when they returned with new riches.
